

# Neuropsychiatry Service - Visitor's day

## Dementia

**Friday 7 September 2012**

**9.30am - 3.00pm**

**St Andrew's Healthcare, Northampton**

The Visitor day is designed to give you an overview of the service provided for people with Dementia. Through a series of lectures and case studies, visitors will have the opportunity to increase their knowledge and awareness of the practical ways of working with the behavioural and cognitive changes associated with Dementia.

The day will also offer visitors an informal opportunity to network with fellow professionals throughout the day.

Cost: £25 per person, no charge for full time students.
