

# HoNOS-secure Training Day

## *'Training the Trainers'*

Thursday 16 September 2010

9.30am - 4.00pm St Andrew's Healthcare, Northampton

HoNOS-secure is an outcome tool for secure, forensic and challenging patient groups. It covers clinical outcomes including improvements in risk profile.

This is a practical day designed to train key personnel within organisations as HoNOS-secure Trainers. These individuals will then be able to return to their organisations and train HoNOS-secure Raters.

### The day aims to:

- Provide instruction and practice in rating using HoNOS-secure
- Provide guidance on planning a local training course for Raters
- Enable consideration of (local) implementation issues

For more information on HoNOS-secure, see the Royal College of Psychiatrists Research Unit website at [www.rcpsych.ac.uk/cru](http://www.rcpsych.ac.uk/cru)

### Who should attend?

There is an expectation that attendees will either be active mental health practitioners or have a clinical background and a training component to their current role.

**Availability:** Places are limited to a maximum of 18 participants.

**Cost:** £90.00 per participant, including lunch and refreshments

To book **YOUR** place, please complete the booking form overleaf.

Further booking forms can be downloaded at [www.stah.org/events](http://www.stah.org/events)
