HEALTHCARE**

Change

- shared values
- trust
- confusion into clarity

The audacity of hope?

“Over time, the CQUIN scheme will allow commissioners and providers to focus attention on some of the small number of measures...”

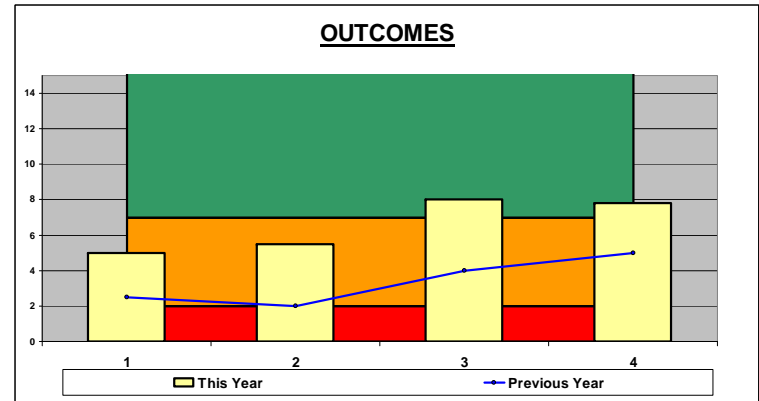

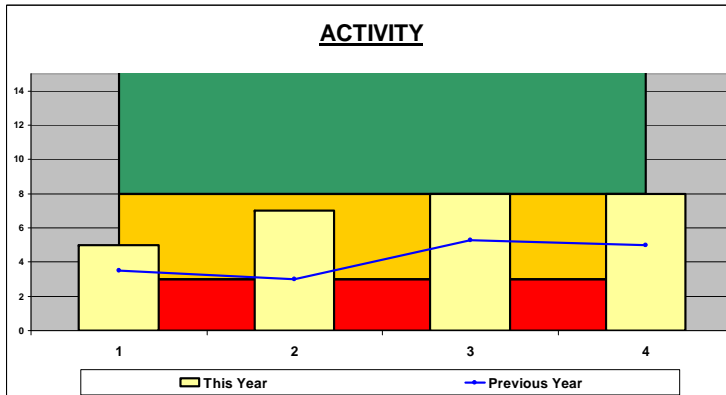

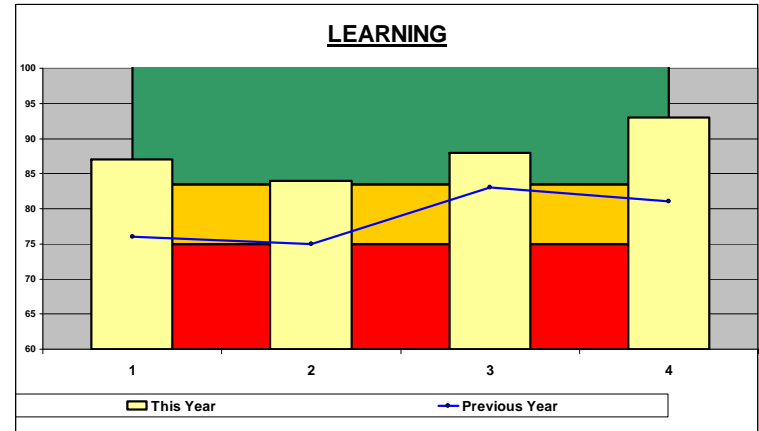

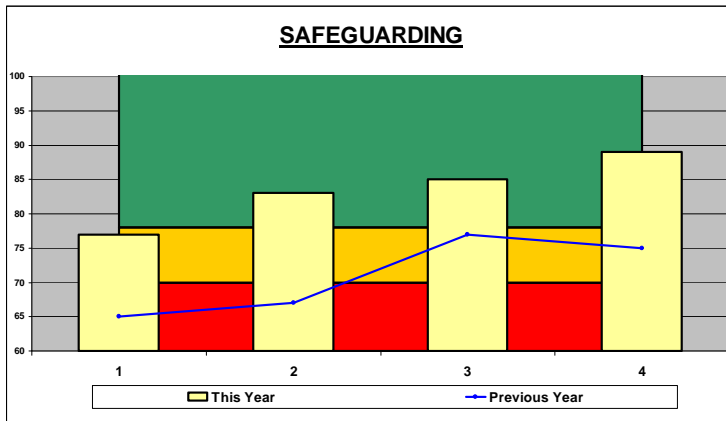

Levels of governance

<i>Demand</i>	<i>Focus</i>	<i>Intervention</i>	<i>Assurance</i>
Law	Rights	Policy	Safeguarding
Regulation	Risk	Training	Learning
Professional	Rehabilitation	Programmes	Activity
Customer	Recovery	Audit	Outcome
