

## The National Brain Injury Centre

### St. Andrew's Healthcare

provides a service for adults with acquired brain injury whose physical, cognitive, emotional and/or behavioural problems require rehabilitation within an in-patient setting.

We invite you to attend one of our forthcoming visitor's days:

**Friday 12 February 2010**  
**Friday 18 June 2010**  
**Friday 5 November 2010**

**Time: 9.30 a.m.– 2.45 p.m.**

The day is designed to give the visitor an overview of the range of services the National Brain Injury Centre provides by discussing rehabilitation theories and how these are linked to practice through the presentation of case studies.

The day will also include a tour of the division and an informal opportunity to network with fellow professionals throughout the day.

**Cost: £25.00 per person**

*No charge for students*

**For further information please contact :**

**Lesley Groucott - Healthcare Governance Lead**

**Telephone: 01604 616366**
