

St Andrew's Healthcare, Nottinghamshire

By Car

St Andrew's Healthcare, Nottinghamshire is located 10 minutes from J28 of the M1 just off the main arterial routes leading out of Mansfield, the Southwell Road West (A617). It is within easy reach of the major centres in both the East Midlands and South Yorkshire.

It is 13 miles from Nottingham, 22 miles from Leicester, 18 miles from Newark and only 26 miles from Sheffield.

The facility is also ideally situated close to the recently completed MARR, the Mansfield and Ashfield Regeneration Route. This provides a quick route for all traffic on the A617 South to link with the Nottingham A60 and the A38 to the west of Mansfield.
