

2ND INTERNATIONAL CONFERENCE: MORAL INJURY IN OCCUPATIONAL SETTINGS

LIVE ONLINE CONFERENCE 22ND MARCH 2022

Moral injury has come to prominence as a framework to address occupational distress in a variety of settings including veteran, police, emergency responders and healthcare workers. The 2nd International Moral Injury Conference brings together applied researchers and clinicians to offer a series of oral papers and live polls exploring clinically focused discussions exploring the use of concepts relating to moral injury in the workplace as they relate to service users and professionals.
