I confirm that I have the delegated authority to authorise this episode of treatment on behalf of the funding authority. I understand and agree that all accepted referrals would be subject to St Andrew's Healthcare Inpatient Terms in force during the patient's inpatient stay and that signature of this referral form is taken as acceptance of St Andrew's Healthcare Terms of Business. The current version of these terms are available at www.stah.org/making-a-referral or on request.

Name		Digital signature	
Telephone			

Please note:

- **For all admissions, we require a signed Named Patient Agreement, which will be sent to you from our admissions team.**
- **Please be aware that, given the nature of this referral, our fees will be based on our rapid response fees, which are available upon request. These will continue to be reviewed during the patient's placement.**
- **Enhanced support or escorted nursing is not included in the daily bed rate. For these fees please contact our admissions team on 0800 434 6690.**

Reason for referral

Please provide your reason for referring this patient and what specific outcomes you are looking for.

6 lines

To allow us to make a clinical decision please aim to provide the following patient information:

- MHA section papers
- Background history
- Psychiatric history
- Medical history (incl. allergies and drug reactions)
- Drug and alcohol history
- Current medication and care provided
- Social history, incl. current significant relationships
- Risk history
- Physical health and mobility needs
- If currently an inpatient, last 24 hours' progress notes

This information can be supplied by sending the following patient documents with this referral form.
Please tick the information you have included.

- ☐ Psychiatric report
- ☐ Patient risk assessment including risk/incident logs
- ☐ Manager's hearing report - psychiatric and social work
- ☐ Mental health tribunal report - psychiatric and social work
- ☐ Gatekeeping assessment
- ☐ Discharge summaries
- ☐ List of current medications including PRN
- ☐ Current care plan
- ☐ Forensic summary
- ☐ CPA reports

Please detail any other information available which could help us to make a clinical decision.
